or visit

- 61% of local searches result in

a purchase

Download our detailed power point presentation and our Media Kit PDF with specific illustrations showing how WE Search Local® can improve your local search rankings.

One of a Very Select Group of Localeze Channel Partners:

- Localeze - world's foremost online local business data compiler for Yellow Pages & Search Engines - distributes content to over 100 Search Platform Partners including: mobile apps., social media, navigational and growing.

- We work with the largest online business content manager in the industry to distribute your enhanced content to the largest search engine network on a weekly basis. This network reaches 90% of the U.S. consumer searches for local products and service.

What WE Do for You:

1. Capture, correct, update, add & enhance your listings with rich, robust content designed to improve your ranking & your visibility thereby compelling motivated consumers to find & contact you. Specifically organize & structure your listings - dramatically enhance your business visibility using a proprietary engine.

2. Distribute your up-to-date, enhanced listings across the most robust local search site network available - in a way that is optimized for direct local search results. Your information is distributed to over 85 top search engines, Internet Yellow Pages, and specialty directories.

3. Manage your enhanced listings for ongoing, continuous auto-submissions.

Don't be Fooled by Imitations & Don't Overpay!
